DEFENCE SECRETARY READY TO MATCH PUTIN SHOW OF MIGHT

FIRST POST-BREXIT TRADE PACT SECURED BY PM

Fire destroys Primark store

A MAJOR blaze destroyed a Primark store in a historic building in Belfast. Flames yesterday engulfed the entire five-storey Bank Buildings, which has been in the heart of Belfast since 1787.

Shoppers and staff were evacuated from the building at around 11am after smoke could be seen billowing from the roof. Parts of the roof collapsed as thick smoke and fire then ripped through the rest of the flagship store.

Dad denies acid attack on his boy, 3

THE father of a boy aged three injured in a suspected acid attack has denied conspiring with six other people to carry out the assault.

The tot suffered burns to his face and arm at a Home Bargains store in Worcester on July 21.

His father, 39, is charged with conspiring to commit GBH in connection with the incident, in the Tallow Hill area of the city.

The man, who cannot be named, pleaded not guilty at Worcester Crown Court yesterday.

Six other men and a woman – all facing the same allegation – also denied the charge.

Also accused are Adam Cech, 27, Jan Dudi, 25, and Martina Badiova, 22, all from Birmingham, Norbert Pulko, 22, and Saied Hussini, 41, both from London, and Jabar Paktia, 41, from Wolverhampton.

They were remanded into custody to appear back at the same court next month.

BOMB PANIC IN CANARY WHARF

HUNDREDS of office workers were evacuated at Canary Wharf as a bomb squad used a robot to detonate a suspicious package.

People took to Twitter to claim they heard explosions going off around the South Quay area yesterday.

It was reported three suspicious packages were

found at a nearby Pret coffee shop.

Met Police clarified that only one package was found and it was deemed non suspicious.

Road closures were in place around Harbour Exchange – near the East London financial district – while the package was

assessed, the Metropolitan Police said in a statement.

One Twitter user who was at the scene wrote: "Police pushing people back further after suspicious packages found in Canary Wharf near South Quay DLR."

"Police have been on scene for over an hour now with nearby buildings evacuated."

Another wrote: "First day back at work and we're shut in the office due to a bomb

scare in South Quay/Canary Wharf."

A Met Police spokesman said: "We were called at 1.19pm to reports of a package being found at Harbour Exchange Square in the E14 area of Canary Wharf. The one package that was found was deemed non suspicious."

Police declined to answer

what was in the package.

Canary Wharf Group said: "We are aware that the Metropolitan Police are conducting an investigation in the area of South Quay. As a precaution they have asked us to close the South Quay Footbridge."

"There is no impact to the rest of the Canary Wharf Estate."

PRESERVED IN ICE FOR 31 YEARS

THE body of a Soviet woman mummified in ice and looking like a "wax doll" who died with six other climbers on Europe's highest peak 31 years ago has been found.

A rescue team brought mountaineer Elena Basykina's remains down from 18,510 ft Mount Elbrus in southern Russia.

Her relatives said they had feared that she had been "kidnapped or kept hostage" in the

"dangerous" Caucasus region.

Her body, encased in ice, was discovered by a group of tourists on the mountain. She was 36 when she died.

Her cousin Evgeny said yesterday that her mother had died after her health worsened when Elena disappeared.

He said: "We have been waiting for Elena all these 30-plus years. We tried to guess what

could have happened to her – and feared perhaps that she was kidnapped or kept hostage. It is such a dangerous region."

Near her body rescuers found her Aeroflot air ticket from Moscow dated April 10, 1987 – when Mikhail Gorbachev ruled the Kremlin before the collapse of the Soviet Union.

Her USSR passport was also located among her possessions.

Cheryl in Liam 'cheat' storm

SPLIT: Cheryl and Liam

By BECCA STUBBS becca@sundaysport.co.uk

POP star Cheryl reportedly thinks Liam Payne and Rita Ora had an AFFAIR while they were together.

Former One Direction hunk Liam, 24, and Rita, 27, worked together for six months and at the VMA's they performed their sexy duet *For You*.

They were spotted looking cosy and cuddling up together in behind-the-scenes footage and now Cheryl, 35, is allegedly worried they were more than friends when she was with Liam.

A source said: "Liam always swore to her that nothing went on with him and Rita – it was all publicity to promote the song and his solo career."

Cold

"When she saw the footage of them, it was bound to make her blood run cold."

"She now feels that Liam has betrayed her."

"Seeing Liam and Rita together at the VMAs was a huge upset for Cheryl. The pictures look very intimate – it's not the behaviour of people who claim to be just mates."

"Everything that has happened recently confirms to Cheryl that things were wrong in her relationship with Liam. She is feeling betrayed and angry."

"While friends are saying to her that the

STAR: Rita

footage doesn't prove anything, or that Liam ever cheated on her, everyone can see from the photos that they have chemistry."

"It's hard for Cheryl to believe that it wouldn't have existed back when they were still together."

"So, the fact that he may have fancied Rita back then is likely to sting poor Cheryl."

LISA 'WON'T GO AWAY'

ESTRANGED wife Lisa Armstrong has reportedly vowed to stay firmly in the spotlight once her divorce from troubled TV host Ant McPartlin has been finalised.

Lisa (right), 41, is reportedly keen to make a name for herself following her split from 42-year-old Ant and a source said: "She's determined to stay high profile."

"She knows Ant would love her to just go away quietly and leave the spotlight, but it's not going to happen."

Ed hints he's wed in secret

SINGER Ed Sheeran has sparked rumours he has tied the knot.

The 27-year-old pop star (*above*) announced his engagement to Cherry Seaborn back in January.

Now he has hinted that the couple could have secretly married.

When recently asked: "Have you picked a date? Do you know where?" about his marriage plans, Ed remained silent before smiling and pointing to the silver ring he has been wearing on his left hand.

The *Shape of You* star added: "I never do anything too public."

Sheeran announced his engagement earlier this year, writing on Instagram: "Got myself a fiancée just before New Year. We are very happy and in love, and our cats are chuffed as well xx."

The couple were childhood friends who went to school together in Suffolk and became romantically involved years later.

In February, Ed told *Good Morning Britain*: "I'm not married."

Two dead in Jags smash

TWO people have died and a man is in a critical condition following a car crash in Devon.

Police were called to the collision between two Jaguar cars in Kingsteignton at 5.45pm on Bank Holiday Monday.

The driver of one car, a 28-year-old man, and his passenger, a 17-year-old lad, died at the scene.

Formal identification has yet to take place but next of kin for the man and the boy, both from Chudleigh, Devon, have been informed.

The driver of the second car, a man in his 60s and also from Chudleigh, suffered life-changing injuries in the smash.

He was airlifted to Derriford Hospital, where he remained in a critical condition last night.

Devon and Cornwall Police have appealed for anyone with information that can assist with their investigation to contact them.

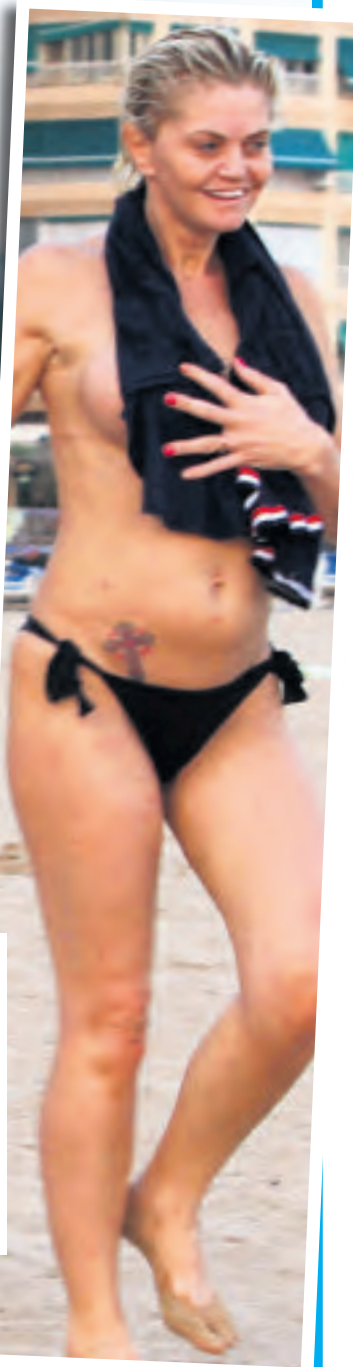

Danniella a sea front sensation

FORMER soap star Danniella Westbrook flaunted her gravity-defying norks as she splashed around topless in the sea.

The 44-year-old actress put on an eye-popping display as she hit the ocean waves in just a pair of skimpy black bikini bottoms.

Danniella protected her modesty with a black towel but seemed more than happy to flaunt her figure on the Spanish shore.

A PERVERT management consultant who lured young women to his hire car before masturbating in front of them has been spared jail.

Pervert who wanked at women spared jail

Jasim, 30, enticed his first victim as she was having a cigarette outside her work at 4pm in Bermondsey, south east London.

He asked her for a lighter but as she approached the car she realised his shorts were round his ankles and he was masturbating.

Prosecutor Tom Edwards told the Old Bailey that Jasim

was "looking at her, smiling". The young women said she now "feels extremely shaken" from the incident.

Jasim's second indecent exposure happened less than two hours later in Honor Oak Park, Dulwich, south London.

He asked the victim for directions but when she approached his car he was again masturbating.

Mr Edwards said these were "young women who were targeted" by Jasim.

Tom Hollis, defending, told

the court Jasim is "deeply ashamed".

The judge Mr Recorder Michael Wood QC said: "These are worrying offences. I accept there was a degree of planning; two offences within hours of each other."

"This was very upsetting for these two young women."

Jasim, of Plaistow, east London, admitted two counts of exposure and was given a 24 month community order, must do 150 hours unpaid work and 100 days of rehab.

HOLLYWOOD actress Kirstie Alley took a British citizenship test during last night's episode.

Kirstie, 67, was overjoyed at being given the opportunity to become an 'honorary Brit' during a task.

Asked to finish off the saying 'easy peasy...' she failed by replying 'pickles and pears'.

It's making my nipples hard, she tells Kirstie

SAUCY TALK: Roxanne and Kirstie (below)

By **BECCA STUBBS**
becca@sundaysport.co.uk

FORMER soap star Roxanne Pallett revealed how she likes to SHAG against the FRIDGE.

Roxanne, 36, made the startling sex confession on Monday night's episode of *Celebrity Big Brother* and revealed her kinks to fellow housemates Kirstie Alley, 67, and Sally Morgan, 66.

Brunette stunna Roxanne was chatting to Hollywood star Kirstie and physio Sally about sex and all three opened up about exactly what gets them off.

Talking about her fiancé, Lee Walton, 40, Roxanne also said thinking about him 'made her nipples hard'.

Kirstie kicked off the conversation and said 'Don't do it on the beach, it doesn't work and it's bad'.

And Roxanne chimed in 'you also get sand up your crack'.

Clearly thinking about sex, Roxanne boldly declared: "It's nice up against the fridge now and again."

Gushing

Cheers star Kirstie agreed and said: "The fridge is good, that's very 1950's."

"For me, three times a week is plenty. I don't want to have sex seven days a week."

Actress Roxanne was left gushing about her fiancé as she sat on the bed and said: "Lee smells amazing all the time and when he eats his food, argh."

"He could do anything and I would just think ARGH. My nipples get hard just talking about him!"

While inside the Channel 5 house, Roxanne has attracted the attentions of Ben Jardine, who famously married a stranger on *Married At First Sight*.

Ben, 36, has been open about his feelings for Roxanne and repeatedly said he 'loves her'.

In Monday night's episode, Ben was seen telling Roxanne how he felt before kissing and nuzzling her on the neck in the storeroom.

Leaf a-Spires to be first on Wear bridge

LOCALLY-made Nissan cars will be the first vehicles to use a major new bridge over the River Wear.

The Northern Spire will open to traffic today, more than three years since work began on the £117m project in Sunderland.

Pedestrians were allowed to walk across the bridge on Tuesday, to see up-close its central A-frame pylon and to take in the views.

An electric Leaf and a Qashqai, built at Nissan's plant on the outskirts of the city, will be the first to use the bridge.

Sunderland City Council leader Coun Graeme Miller said: "It looks stunning and is a great addition to the Sunderland skyline."

Poor weather earlier this year delayed its completion, when calm, dry conditions were needed for the painters working on the 350-ft tall centrepiece – which stands taller than Big Ben's tower.

The bridge will speed up traffic around the city, linking Pallion to Castletown.

Bake Off Prue 'a sex symbol'

GREAT British Bake Off judge Prue Leith kicked off the new series last night and declared herself a **SEX SYMBOL**.

The baker joined the show last series after a Channel 4 revamp and says she's revelling in her new-found fame.

Prue (above), 74, said: "I'm such an A-lister now, I love it. I'm a geriatric sex symbol. I can't tell you what it does for my street credibility with my grandchildren."

"If somebody stops me in the street and asks 'Are you the lady from Bake Off?' you can see my six-year-old looking at me thinking 'She's my nan'."

RITA'S G-A-Y SEX ORDEAL!

Trolls target her over raunchy live routine

POP superstar Rita Ora was targeted by online perverts who told her they wanted to **MASTURBATE** over her stunning arse!

The 27-year-old blonde babe posted a video of herself in a skimpy outfit performing at the G-A-Y nightclub in London.

But the tiny thong-style leotard she was wearing proved far too much for some fans who were moved to whip out their cock and have a Tommy Tank.

Not only that, they got online and told her they would be wanking off over the footage.

Jacobruizn361 wrote to her: "May I jack off to you?"

And then followed it up with: "It's up to you."

Shocked

And themusicalelitist felt compelled to tell the Bosnian-born beauty: "Nice bum."

The lewd comments shocked Rita, 27, to the core when she read what fans had been saying.

A pal said: "Rita posted a perfectly innocent video of herself dancing. So the outfit

showed off 80 per cent of her bum cheeks, but that is not an invitation to inform her of your masturbation habits.

"The last thing Rita needs when she posts a video is to be thinking about people stroking their hard cocks and jizzing all over the place."

"Tha t m i g h t be just a little bit off-putting for her."

Cops kicked nicking yob at a MaccyD

TWO cops were kicked and heckled as they struggled to arrest a man for fighting customers at a fast food restaurant.

The pair were called to McDonald's in Mare Street, Hackney, east London, shortly after 10.30pm on Monday.

Footage of the arrest posted on social media shows the pair wrestle with the suspect.

Customers can be heard shouting and seen surging forward with one man, wearing a black baseball cap, white T-shirt and jeans, running forward and kicking one of the cops, backing away and then coming forward to aim a second kick.

Another man, with a pink balloon hanging from his mouth, keeps surging towards the officers, before one aims a Taser at him.

Colleagues appealed for information on Twitter, with one entry on the @MPShackney account saying: "If the 'tough man' who feels it's acceptable to kick my colleague in the back...feels any sort of remorse, get in touch before we track you down. #ProtectTheProtectors"

Her black one-piece barely covered her privates and only just protected her nips as her ample assets were on full display in the social media snap.

Security guard sacked for

BIG BLOW:
Farter Doug

pumping at work

A HOSPITAL security guard who filmed himself farting more than 75 times while working has been sacked.

Known only as "Doug", he has been running *The Fart Authority* Instagram page since March, featuring himself in dozens of videos farting on the job.

On a fundraising page set up after he got the boot, he states: "I'm Paul Flart. I make fart videos on Instagram for the joy and happiness of all who see them."

By COLIN HURST
news@sundaysport.co.uk

"My goal is to be the first person to make a living off farting after getting fired from my job in a public manner."

In the footage, Doug faces the camera and farts on cue during quiet periods at work.

He said: "The lobby has really great acoustics and naturally we all fart. 'One day I ripped a rather nice one and got really good sound from it, so the next time it happened I recorded it and sent it to my group chat.'"

But when Doug got to work last Thursday, he was met by a boss who said: "We need to talk."

Filming the chat, Doug is told he has broken company rules which prohibit using phones on the job "an unusually high amount of times" and by filming himself wearing his security guard uniform on private property.

He is asked to turn in his badge and uniform and to stop recording.

Doug declined, yet does not deny the accusations. He is planning his next steps in his viral farting career.

One Instagram fan wrote: "I need the idea of a person living from farts to become a reality."

Fryup has a jolt before breakfast!

AN early morning rumbling was yesterday recorded deep below the hamlet of Fryup, say earthquake experts.

The British Geological Survey said there were no reports that anyone felt the 5am quake, which had a magnitude of 2.8.

Seismologist David Galloway said normally an earthquake of that strength would be noticed but this one was nearly 19 miles below the surface.

He said: "If it was shallower, we'd expect to have had a few further reports by now."

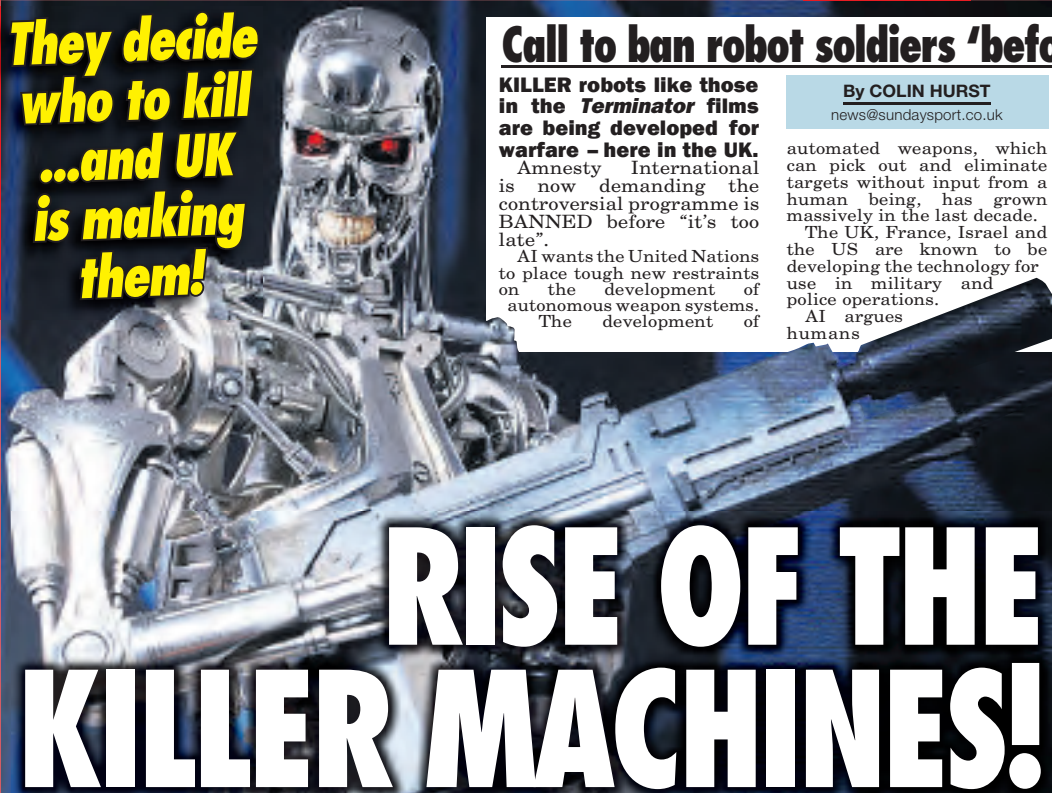

"The time of day it happened also influences this as well."

The earthquake was so deep it could only have happened naturally, it was understood, and was nothing to do with any human activity.

Fryup is in the North York Moors National Park and has no pub or shops.

Its unusual name was nothing to do with English breakfasts but was thought to be honouring the Anglo-Saxon goddess Frige.

Call to ban robot soldiers 'before it's too late'

KILLER robots like those in the Terminator films are being developed for warfare – here in the UK.

Amnesty International is now demanding the controversial programme is BANNED before "it's too late".

AI wants the United Nations to place tough new restraints on the development of autonomous weapon systems. The development of

automated weapons, which can pick out and eliminate targets without input from a human being, has grown massively in the last decade.

The UK, France, Israel and the US are known to be developing the technology for use in military and police operations.

AI argues humans

should remain "at the core of critical decisions" on the use of deadly force, such as the selection and engagement of targets.

The call comes ahead of the UN Convention on Certain Conventional Weapons (CCW) Group of Governmental Experts (GGE) on Lethal Autonomous Weapons Systems, which is meeting in Geneva between August 27 and 31.

States will discuss options for addressing the human rights, humanitarian, ethical and security challenges posed by killer robots.

"Killer robots are no longer the stuff of science fiction," said Rasha Abdul Rahim, an advisor on artificial intelligence and human rights at AI.

Risks

"From artificially intelligent drones to automated guns that can choose their own targets, technological advances in weaponry are far outpacing international law."

RISE OF THE KILLER MACHINES!

IT'S THE TELLY HIT OF THE YEAR BODY-BARED!

By BECCA STUBBS becca@sundaysport.co.uk

IT'S been hailed by fans as the best drama in YEARS from the BBC – and the boobs offered on *Bodyguard* are some of the greatest, too!

Leading the gritty political drama series, Keeley Hawes plays Home Secretary Julia Montague in the hit.

Despite being covered up in her role, Keeley, 42, hasn't always been so demure and in 2000 thriller film *Complicity* she stripped completely starkers.

Actress Pippa Heywood plays Chief Supt Lorraine Craddock in the show and despite her tough exterior in the new series, she peeled off her layers in the past.

Spice

In 90's sitcom *The Brittas Empire* Pippa, 57, dressed up in silky lingerie, stockings and suspenders to spice things up.

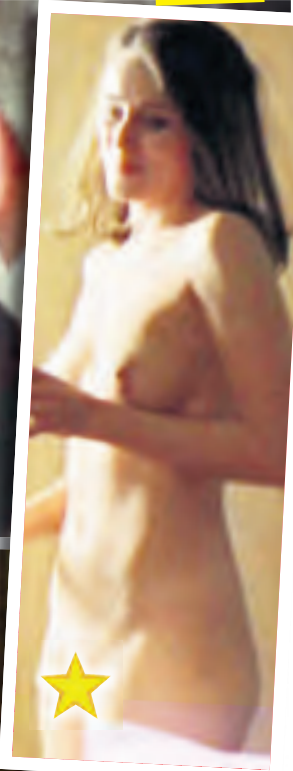

Busty beauty Sophie Rundle, 30, plays Vicky Budd in *Bodyguard* but, sadly for TV viewers, they won't catch a glimpse of her eye-popping pair.

However comedy series *Episodes*, which was released in 2011, didn't have such restrictions and happily let Sophie flaunt her norks.

Rounding up the bevy of beauties on display is Gina McKee, 54, as Commander Anne Sampson. She's clad, of course, but was a little less reserved in 1996 TV series *Our Friends in the North*.

The next episode of *Bodyguard* is on BBC1 on Sunday at 9pm.

No-crotch knix shock for Nick

COUNTDOWN host Nick Hewer has revealed he gets sent CROTCHLESS KNICKERS to him by horny female fans.

Nick (*above*), 74, has found himself an unlikely sex symbol since 2012 when he took over presenting the popular quiz show.

And he's now spoken of the time he received a pair of red knickers and described them as being "of appalling vulgarity and crotchlessness".

He said: "I had a pair of crotchless knickers sent to me once. It was from an anonymous viewer and they came to the *Countdown* studio. I had no idea where they came from so I could not write back. I hurriedly passed the knickers back for disposal and the matter was never discussed again."

L driver killed in train smash

A LEARNER driver died during her driving test after she stalled on a level crossing and was hit by a **TRAIN**.

The 18-year-old, named only as Angelika, died in hospital from her injuries but her examiner escaped unhurt after diving out of the car when he saw the oncoming train.

The unnamed examiner, 62, reportedly did nothing to help the girl and was seen walking away from the car when the train smashed into the red Suzuki Baleno.

CCTV captured footage of the horrific accident in the village of Zaskale in southern Poland.

Eyewitness Rafal Kwak, 40, said: "When we ran to the wreck, the girl was strapped in and the instructor stood nearby and did nothing."

COMING

Toni has
'orgasm'
in Beeb
drama

Is this the CLIMAX of Toni's career so far?

ACTRESS Toni Collette said she's PROUD to have had the first female ORGASM on BBC One in new drama *Wanderlust*.

Toni, 45, declared it an honour to portray a middle-aged woman in the new series which opens with six minutes of sex scenes.

Happy

She said: "Someone told me I was the first woman to have an orgasm on the BBC... and I'm happy to take the accolade."

"It's so honest and fresh in the way the women are portrayed. To be a middle-aged woman, to be in a long-term relationship and to be alive,

By BECCA STUBBS becca@sundaysport.co.uk

dealing with a lot of things – it's tough. "Certainly a middle-aged woman's sense of self-esteem, of sexuality, is not often talked about."

The series opens with Toni playing Joy Richards and shows her acting out a sexual act that leaves her gasping with pleasure.

Later there is a longer sex scene spanning nearly a minute, where Joy throws her head back and maintains a wide-eyed expression.

Toni admitted she was anxious about filming the sex scenes but said: "I got over it quite quickly."

Wanderlust begins on Tuesday September 4 at 9pm on BBC One.

Rifle thieves toy with cops

THIEVES have stolen 42 powerful rifles from a police armoury and replaced them with TOY GUNS.

During an inspection, officers found that the FN-FAL battle rifles had been replaced with wooden and plastic replicas.

The inspection had been ordered after the rifles started appearing a year ago on the black market, where they can fetch up to £10,000.

They had been put into storage by the police in Paraguay but were still in working order.

Some of them are thought to have ended up in Argentina, while others are believed to have been smuggled to Brazil.

The police officer in charge of the armoury has been replaced but no arrests have been made so far.

GIRL, 12, PIMPS OUT HER MUM FOR SEX

By KOEN BERGHUIS news@sundaysport.co.uk

A SCHOOLGIRL has been found working in a brothel as her own mum's PIMP – telling clients about the sex acts she offered and the prices she charged for them.

The 12-year-old's mother had moved from the Czech Republic to work as a prostitute at a brothel in Holland.

Because she spoke no Dutch she used her daughter as an interpreter to communicate with horny punters.

The unnamed girl would tell clients which sexual services her mum could provide – and even negotiated prices with them.

Legal

Local officials found the girl working in the legal brothel during its annual inspection and immediately closed the establishment down.

The girl, who police investigators say did not perform any sexual services herself, has since been taken into care by the local child protection services.

Local mayor, Sander Schelberg, said: "She had to describe among others all acts which the clients wanted to do with the prostitute.

"To put it differently,

Cops shock at brothel

she was intensively involved with the prostitution process."

Mayor Schelberg also revealed that the female licence holder of the brothel was not at the premises during the annual check "even though she was required to be there".

A TRAMP caught wanking in a sleeping bag in a shop doorway has been jailed.

A woman thought she had spotted Mark Jones, 36, shivering inside the bag and went to offer him a cup of tea.

But rather than shivering, he was pleasuring himself under the fabric.

Jones, of no fixed address, was given a sexual harm prevention order in May last year after carrying out a sex act in a church in Llandundo, North Wales.

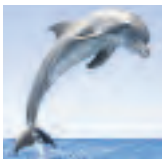

The latest incident in Holyhead in July, put him in breach of the order.

Sentencing him at Caernarfon Crown Court to 10 months behind bars, Judge Huw Rees told him: "You must understand, at 36 years of age, if you persist in this way you can expect the sentences to increase."

The court heard Jones had previous, including for indecent assault and indecent exposure.

Don't swim with randy dolphin!

SWIMMING has been banned on a popular beach because of a RANDY bottlenose DOLPHIN.

DOLPHIN:
The dolphin, nicknamed Zafar, has been entertaining children near France's northwest port city of Brest and swimming with bathers and kayakers.

But officials are worried the dolphin is seeking close contact with swimmers and Mayor Roger Lars said a number of bathers had been scared when it rubbed up against them.

"I issued this ban to protect people's security," he said.

CALLED OFF WEDDING: Ferguson

A HIGH school teacher who cancelled her wedding after having sex with a teenage student on a park bench has been jailed.

Alaina Ferguson, 25, was sentenced to four months in prison for having an improper relationship with a 16-year-old pupil.

It's believed the relationship began after the student left his Snapchat username on a test paper.

According to a police affidavit, Ferguson met up with the teen and they had sex on a park bench.

She also had sexual intercourse in a pick-up truck and at her fiancé's apartment when he was out of town on a hunting trip.

There were also reports the teacher and pupils would play the drinking game 'Beer Pong'.

James Bishop, the parent of a student at the school, said: "That's very concerning to hear, when you're sending your child somewhere you think is safe."

"You want them to learn and get a good education — but not that kind."

The teacher resigned from her job as an algebra teacher at Plano Senior High School in Plano, Texas.

The arrest warrant states Ferguson said she "knew it was not the right thing to do but it felt right at the time".

She must also carry out 150 hours of community service and register as a sex offender for 10 years.

DRIVE-IN CAR SEX BOXES HEADING FOR UK

SEX workers' rights activists are calling for legal DRIVE-IN SEX BOOTHS to be established in Britain.

The move follows an experiment in Switzerland which saw the government pay to create the legal booths in a bid to protect sex workers.

And they have been deemed a huge success since they were established in Zurich five years ago.

The booths, which look like garages, celebrate their fifth anniversary on Sunday after 52 per cent of Zurich citizens voted in favour of them.

Now sex worker advocate Paula Hunter is calling for the booths to be brought to Britain.

Violent

She said: "Drive-in brothel booths give a safe and protected environment.

"Just making this illegal is not going to make it go away. We need to follow the Swiss example."

Prostitution has been legal in Switzerland since the 1940s and the booths opened in 2013.

Before this, most sex workers stayed on the city's riverfront – but many moved following complaints from locals

By **COLIN HURST**
news@sundaysport.co.uk

over traffic and noise.

The legal areas help in preventing human trafficking and violent attacks against sex workers, most of whom are eastern European.

The government spends £623,000 each year maintaining the booths, which includes security and on-site social services.

The sex workers pay taxes and have regular health checks.

Like many drive-ins, motorbikes and bicycles are allowed, but those on foot aren't and go to another part of the city.

Once the customers arrive, one of the 24 women working agree a price and go to a booth, which is not monitored but has an emergency alarm for safety.

Nut shoots women drivers

A MAN fired shots at women drivers because he doesn't believe they should be allowed behind the wheel, say police.

Nicholas D'Agostino, 29, is linked to at least three road rage shootings.

He has appeared in court on charges of shooting two women in their cars in two separate instances. In one case in March, a woman driver heard a loud noise while driving out of a petrol station car park. After feeling a pain in her right arm she realised she had been shot.

D'Agostino (left) – who cops say has a "dim view" of women – faces a charge of aggravated assault with a deadly weapon in connection with that case.

He has already spent six weeks in jail for a July attack on a 39-year-old woman.

All attacks have been in the Houston, Texas, suburb of Katy.

RAUNCHY beauty Riah Read is a red-hot minx in the bedroom and loves to DOMINATE her lucky fella.

Faunting her 34C rack, complete with pierced nipple, Riah says she drives men wild when she bounces on their cock.

And she let us in on a few secrets that get her really revved up between the sheets.

Riah, 25, from Birmingham, said: "I really like it when a guy strokes and kisses the inside of my thighs – it drives me wild.

"And I like them to pay a lot of attention to my pierced nipple, too.

Bouncing

"Gently pulling on it or sucking it really gets me going.

"Or kissing my neck – I think that's the same for most women.

"I love being on top – I just really like being in control in the bedroom and I love telling the guy what to do to me.

"They absolutely love it if I get bossy while I'm bouncing up and down on top of them!

"It gives the guy a great view of my pert boobs!"

FORMER child star Bella Thorne flaunts her stunning figure in sexy red lingerie – but it's her **HAIRY ARMPITS** that are attracting the most attention.

Bella, 20, has long shed her innocent Disney image but it seems she's now also decided to ditch her razor and let her armpit hair grow.

Pits

The actress stripped down to a tiny bikini and paraded her phenomenal body but even her saucy outfit couldn't hide her overgrown pits.

Taking to Instagram, she shared the racy snap of herself as she pro-

moted her clothing line, Filthy Fangs. Radiant redhead Bella donned the strappy bikini top teamed with matching high-waisted briefs and instructed fans to 'Swipe up'.

Posing with her arms held high and her legs wide, the *Shake It Up* star gave her fans a view of her unshaven armpits.

It's not just her pits that are hairy – last year, while posing in a bikini, she sported copious spiders' legs popping out!

Clarence Tang Jia Ming, 26, pleaded guilty to 31 charges of filming women at a Starbucks in the Holland Village shopping area of the island city state of Singapore.

Parts

He placed the camera in such a way so as to see the women's faces and private parts.

By COLIN HURST
news@sundaysport.co.uk

Tang was the last member of an online voyeuristic video group, called the SG Horizon Club, to appear in court in connection with the secret filming of the women.

Tang, who has still to be sentenced, chose the Starbucks because of "the high number of females aged between 18 and 25 likely to use toilets", the court heard.

He installed a hidden camera, shaped like a metal hook, in the toilet at the coffee shop.

He also installed a similar camera disguised as a wall hook in his own bathroom and recorded a video of a 22-year-old female friend taking a shower.

Deputy Public Prosecutor

Li Yihong told the court Tang was "skilled in camera placement" and he angled the camera so it would clearly capture the faces of the women and their private parts.

Tang also admitted to possessing more than 2,100 obscene films.

Four other members of the SG Horizon Club have already been sentenced to between six months and three years in jail.

Obscene

The offences came to light in 2016 after the Ministry of Education told police it had received information about obscene videos of schoolgirls in toilets or changing rooms.

These had apparently been taken with hidden cameras and were circulating on internet forums, as well as Google

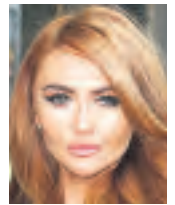

groups and the Volafire file-sharing website.

Police raided Tang's home and seized hard drives, tablets, cameras, a laptop, an iPhone and three cameras that could be controlled remotely.

An analysis of the external hard drives revealed more than 4,900 sex-themed films, with more than 2,100 of them certified obscene by the Board of Film Censors.

The SG Horizon Club was set up by Ali V P Mohamed, 46, who was jailed for two years and fined \$45,500 in January for his involvement in the site.

Charlotte: I want to roast on TV

REALITY telly star Charlotte Dawson has put herself forward for celebrity COOKERY shows and reckons she makes a "mean roast dinner".

Charlotte, 24 (above), said that being on a celebrity special of *The Great British Bake Off* would be her dream job but she'd also love to star on *MasterChef*.

She said: "I can't believe there'll be no more sexual innuendos in the new series of *Bake Off*."

"It's not the same show without some cheeky jokes. I wouldn't mind having a go at the celebrity version."

"I've been watching *Celebrity MasterChef* and I'd also love to do that. I make a mean roast dinner."

Celeb MasterChef is currently on screens with a new batch of famous faces cooking up a storm for judges Gregg Wallace, 53, and John Torode, 53.

Tuesday night's opening episode of *The Great British Bake Off* failed to feature any rude remarks.

Jane: Sex gets better with age

HOLLYWOOD legend Jane Fonda reckons SEX for women gets better the OLDER they are.

The Oscar-winning actress, 80, dished out some sex advice at the premiere of her new flick *Book Club*.

She said: "For women it gets better because we understand our bodies more. We know what we need and we know what we like and we're less afraid to ask for it."

"I'm not dating any more, but I did up until a couple of years ago."

"I'm 80, I've closed up shop down there!"

SEX-CRAZED stunna Alexa Grace fantasises about getting **FRISKY** on the back row in the **CINEMA**.

The 32C Leicester-born lovely fancies herself as quite the exhibitionist and reckons the hottest place she could bonk would be in a cinema.

Alexa, 25, said: "I am pretty imaginative and love coming up with the naughtiest places I can think of – there's something really horny about being an exhibitionist."

"I am a big fan of having sex where you know you shouldn't, so the cinema is top of my list. It really turns me on knowing someone could catch you at any moment."

"It would be really sexy to give a guy a blowjob in the back row while everyone else was watching the movie."

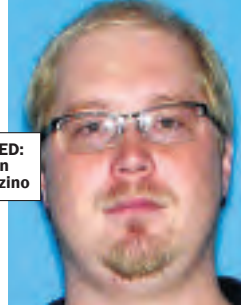

"Then, to finish off on an even hornier note, slipping your knickers off and climbing on top."

"It gets me all excited just thinking about it!"

Man with no hands and no legs on the run

WANTED:
Sean
Petrozzino

POLICE are desperately searching for an armed quadruple amputee to question him about a DOUBLE MURDER.

Sean Petrozzino, 30, reportedly lost his legs, hands and parts of his arms to bacterial meningitis a few years ago.

Officers said he moved in with his parents last week after separating from his wife over their serious financial issues.

By COLIN HURST

news@sundaysport.co.uk

Teacher

Both of his parents were both found dead yesterday morning after Sean's mother Nancy failed to show up for her job as a teacher.

Although cops said he's currently a "person of interest" and not an official suspect in the double murder, a

spokesman warned Sean may be armed with a gun.

A prosthetics expert told reporters in Orlando, Florida, that you don't need a hand to shoot as most guns can apparently be fired by the handless, "without special devices".

ANSWERS

Alice Bennett says...

I LOVE trying out new positions, so I know exactly what I'll be doing this weekend once I find a fit fella to practice with!

SEXPERTS have singled out four positions to try out in the bedroom that are guaranteed to put some SPICE back into your sex life.

Those couples who let their bedroom habits go stale are more likely to have problems in their relationship.

But trying out new techniques and positions is guaranteed to re-ignite some passion.

Lovehoney relationship expert Annabelle Knight revealed: "Sex is like food: eat the same things every night and after a while it will get a little dull, however delicious the food."

"Who wants to always stick to missionary or default to doggy when there are endless orgasmic options to try?"

Here, the love guru outlines four of her top positions for adventurous couples:

SITTING IN A CHAIR

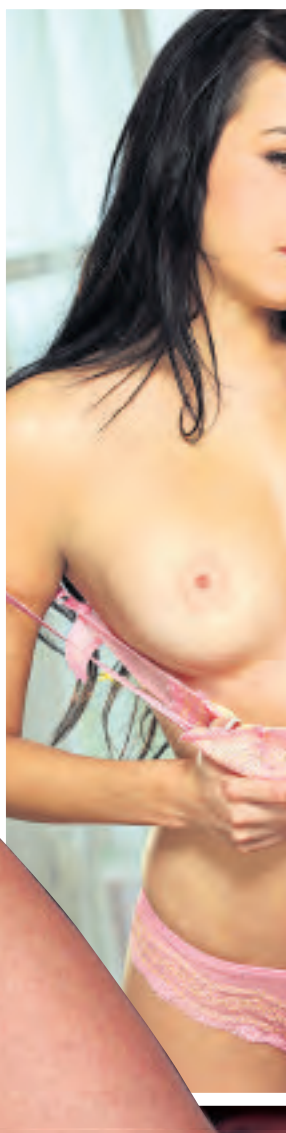

The male sits on a chair and their partner straddles them, either facing them or facing away (whichever takes your fancy).

If facing away, try it in front of a full-length mirror so you can watch the action together.

This move is a great one for hitting her G-spot, so prepare for thigh-shaking orgasms.

THE THREE-LEGGED DOG

She stands and faces her

By **BECCA STUBBS**becca@sundaysport.co.uk

partner, who is also standing. She lifts her leg, he holds it horizontally, then enters her while both remain standing.

This position is excellent for G-Spot stimulation as the recipient can adjust their leg's height and the penetrator can bend their knees to hit different angles.

THE BUTTERFLY

He stands on the edge of the bed while she lies down on the bed with her legs over the edge. He lifts her legs and places them on his shoulders while he thrusts.

This position allows for deeper stimulation and can make the penetrator feel more endowed than he is.

THE ADVANCED CRAB WALK

Both partners sit down facing each other, resting their hands on the floor behind them. She raises her bottom and lowers herself on top of him, pulling the penis down slightly to aid penetration.

Once he is inside, she lifts one leg at a time and puts them either side of his head on his shoulders.

This move is great for slow and sensual sex as it requires a steady grinding motion. It enhances female stimulation, so can help build stronger orgasms.

We asked three *Sport* stunnas what they thought about these adventurous moves...

Lisa Walker
says...

FOR me, nothing beats a rough doggy session, it gets me cumming every time. But I'm up for trying the crab walk one if it's gonna give me a stronger orgasm.

Are you up **FOUR** orgasmic boost to sex life?

Vicky Dunn
says...

STRADDLING my man gets me off, so the sitting on a chair position sounds right up my street. I'll try this one on my bloke - I don't think he'll complain too much, do you?

#SEX HEALTH

Switch off phones and get switched on to sex!

By BECCA STUBBS

NEW research suggests that TECHNOLOGY is killing passion between the sheets.

According to boffins, people who own televisions in the bedroom are SIX per cent less likely to have sex.

The researchers claim "television is associated with sex life morbidity" but add that smartphones may be "the real sex-life killer".

The study, which analysed nearly four million people from 80 countries, follows research that found the average person had sex just three times a month in 2010, compared to five in 1990.

Shag

The research's author argued TV used to "close down at 10.30pm" with couples having "nothing else to do" but shag.

However, now the scientists from the University of Delaware in the U.S. claim that people around the world are showing "willingness to substitute electronic companionship for human companionship".

Speaking of the likely role of modern smartphones, they wrote: "Recently, popular culture has claimed that smartphones are killing people's sex lives. Our study population resides in low- and middle-income countries and were surveyed largely around 2010, before the widespread availability of smartphones."

"In countries with smartphones, they might be the real sex-life killer."

"The results further suggest income, age or level of education do not influence how much sex a TV owner has."

David Spiegelhalter, from Cambridge University, backed up the survey and said: "Even power cuts help. Now people are having less sex."

Porn

But *Sport* stunna Laura Cooke says technology is only a sex killer if couples let it interfere, adding: "Technology doesn't kill sex lives, people do."

"If your partner is spending more time on their phone than shagging you then change things! Wear some sexy lingerie or spice things up, they'll soon be switched back on to you."

"TV and smartphones aren't a bad thing, you can watch porn on them these days so if they are busy on their phones, make it a joint thing."

"Watch some porn together on a phone and before long, you'll be recreating the scenes in the bedroom!"

THE WORLD FAMOUS AGONY Page

Dear Sam,

I'M married to a 15-stone wobbler who, when we first wed, was a shapely good-looking bird.

The amazing thing is that she can go from 15st to eight stone in a matter of six months, so for half the year I have a sexy, slim wife who looks like Gwyneth Paltrow and for the rest a lard-arse.

To keep my spirits up while she's in her fat phase, she lets me do her up the back door. Often I can go for hours as the sight of her flabby arse is no turn-on at all.

But when she is super slim I tend to come quicker than a speeding bullet. Is there anything I can do to get some equilibrium?

GF, Merseyside

Sam says...

WHY not try thinking of of your wife when she's fat to slow you down?

Dear Sam,

I AM 25 and have a wicked girlfriend. We have been together for seven months and she is an amazing person.

But I am beginning to think she is about to break up with me because I can't get it up in the bedroom with her.

My girlfriend has got a huge, hairy muff and it really turns me off. I've asked her to shave it but she refused and then sat on my face to ram the point home.

Am I being reasonable?

Martin, North Yorks

Sam says...

YES – it's her muff and she can do what she wants with it. Maybe ask her to trim it instead.

Dear Sam,

I'M 22, busty, blonde
and I love sex.

My first boyfriend left me because every time we went out I'd be gagging for a bonk.

Honestly, it didn't matter where we were – out in the woods, in the park, a bus shelter, phone box, his parents' house, wherever, I'd always make sure I got my oats.

One time we were at the cinema and I got the urge, so I started rubbing his cock and then dragged him to the loos where his fizzy drink spilt all over my popcorn.

We had an argument because he said he'd missed the film and said he'd rather I'd waited until it finished.

But my favourite place for a quickie is in the changing rooms of clothes shops. Sadly my fella would never be able to perform in such a place.

So we split up and since then I've found plenty of fellas who'll go for it, sometimes even the good-looking staff in the shop.

Last week I f**ked a
hunky bloke in his
forties who came to
service my boiler.

I chatted him up and then serviced his cock with my tongue.

I then let him have me in both holes over the sink – it was so very horny!

I'm starting a new job next week so I can't wait to start having sex in the office.

I plan to shag my new boss. I even offered to blow him when I went for my interview – that's maybe why I got the job!

I imagine it'll be like a non-stop orgy with kneetremblers on the photocopier and in the stationery cupboard.

Any ideas?

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

I feel sorry for pal whose wife I'm giving a seeing-to

Dear Sam,

A FRIEND recently confided in me that his missus was off sex and he has not shagged her for six months.

I've known her for years and even though she's 40, she's still got a great body, with huge tits and a curvy arse.

I must admit that she has caused a bit of a stirring in my boxers a few times when I've seen her.

And I really couldn't fathom out why someone with such a sexy body would not want to show off her assets in the bedroom.

Anyway, the other day I saw her in the grocer's store talking to a couple of lads who work there.

One dashed out back laughing to the other, saying he was going to give her a good seeing-to.

When she saw me in the shop she blushed, as it was pretty obvious I had heard what was going on, but she still followed the other lad out back.

The remaining lad then told me it was common knowledge that my pal's wife puts it about a bit.

He told me his mate often boasted how he had spent the afternoon shagging the arse off her.

I could feel myself getting hard as I listened to all the dirty things he'd heard she'd done.

A couple of days later I got a shock when she came knocking at my door pleading with me not to tell her fella what I'd seen and heard.

I assured her that I wouldn't and invited her in for a cup of coffee.

We chatted for a bit and it seemed to me she still wasn't convinced that I'd keep my mouth shut about her affairs behind my pal's back.

She came and sat next to me with pleading eyes and the next thing I knew I was kissing her and my dick was rock-hard as I fondled her huge tits.

Fingers

I soon had my hand up her skirt and a couple of fingers inside her thong and was sliding them in and out of her wet mince.

It was clear she was gagging for it, so I pushed her back on the couch with her legs over my shoulders and slid my thick cock all the way up her.

The more she moaned, the more I f**ked her and we did it all ends up. I gave her one from behind, I lapped at

her dripping fanny as she sucked my helmet in a 69 position, then came over her face after a tit-wank.

Now I feel sorry for her husband and I promised myself that I wouldn't be tempted to indulge in any more sexual activities with her.

But it hasn't turned out that way. Last week I went round to see my pal and she ended up giving me a gobble while he was upstairs asleep in bed.

As if that's not enough, now there is an added complication to deal with. She has promised to drop the grocer boy and anyone else she's been shagging if I agree to keep on f**king her.

I'm in a real quandary about what to do next. What do you think I should do?

TK, Wilts

Sam says...

YOUR cock is ruling your brain. Tell your pal to ditch his cheating wife.

Dear Sam,

Was I wrong to watch missus shag stranger?

Dear Sam,

I'VE been happily married for 12 years and have a full sex life with my wife. But I had one fantasy which had never been fulfilled – and that was to see my missus shafted by another fella.

Until a few weeks ago the wife had always said no but after a great deal of persuading she finally agreed.

We worked out a plan which was that she'd go to town on her own, pick up a bloke and return to our place where I'd be hidden in the wardrobe.

I soon heard a car pull up in the drive. The wife wasted no time and entered the bedroom with this bloke who looked about 25.

I watched agog as she peeled off her white blouse and pawed her 34D breasts. Then she turned and bent over as she eased down her tight skirt and panties.

She pushed him back on to the bed, slowly rubbing his cock through his trousers. She made quick work of his flies and I'm sure I heard her gasp as she released his meaty cock from his jeans. It was a strange feeling to see her lowered her lips onto his dick.

She was sucking him right to the back of her throat and he kept squeezing her arse and tits.

After a while he flipped her over. I could see his cock sliding in and out of her juicy pussy.

As this fella pounded into her from behind I could not resist having a wank and soon I was tugging away like mad in my Ikea hideaway.

When they'd finished I actually felt a bit dismayed that the wife seemed to enjoy it so much. Was I wrong to encourage her to do this?

LF, Leeds

Sam says...

NO, as long as she does not suggest she does it again.

HAYLEY FINCH

STUNNING Hayley Finch is one of the most successful glamour girls ever to have graced the pages of the *Sport* and devoted reader Brian Parker knows that all too well.

Brian, 73, from Kew, London, was a fan of the *Sport* when 37-year-old Hayley, from Purley, London, made her topless debut in 2001 – and he's been hooked on the beauty ever since.

Now retired, Brian said: "From the moment I opened the paper back in 2001, I've been mesmerised by Hayley's 34F boobs."

"She might have packed in flashing her tits these days, but could I have a classic photo to remember the good old days?"

ANGELICA BREXNER

TATTOO artist Nicky Grimshaw spends his days inking gorgeous women but says none come close to blonde bombshell Angelica Brexner.

Nicky, 36, from Stoke-on-Trent, owns his own tattoo parlour and is hoping one day 24-year-old beauty Angelica, from Greenwich, London, might step foot through the door.

He said: "Don't get me wrong, I've seen tons of stunning women throughout the years I've been tattooing and have seen tons of pairs of boobs."

"But there's no pair like Angelica's 32D's. I'd be happy to tattoo her any time she likes."

"I'd happily apply my special cream to soothe her as well if she wants!"

WITH HIS SPORT ODDS AND ENDS

TOP TEAM:
Kane and Moura are flying

SPURS CAN BE COCK OF LONDON

JOSE Mourinho is Evens with BetVictor to be the next Premier League manager to lose/leave his post after United's 3-0 reverse to Spurs at Old Trafford on Monday evening.

I kept asking myself on Monday had any of Manchester United's big money signings (notably Romelu Lukaku, Alexis Sanchez and Paul Pogba) improved under Mourinho? No, I didn't think so either.

United are 4/9 NOT to win any major trophy this season and 7/5 to win any major trophy this term at BetVictor whose special markets also include:

Top 4 finish	13/8
To finish higher than Spurs	7/4
To finish higher than Liverpool	9/4
To get 85 or more points	10/1
Top North West club	12/1

Spurs were excellent in the second half at Old Trafford and are 6/5 to be the top London Club behind Chelsea (10/11) with Arsenal 5/1 after first win of the season against West Ham at the weekend.

Lucas Moura took the plaudits for his all-action performance and brace of goals, but it was Harry Kane's wonderful header which was the key and the England skipper is 3/1 to regain the Golden Boot for the league's top scorer with Mo Salah 7/2, Sergio Agüero 4s and 12/1 Bar.

Cracker

There are four League Cup ties this evening with Newcastle's trip to the City Ground Nottingham of interest. With a trip to City at the weekend followed by an international break one would imagine Rafa Benítez will field a strong side against a Forest side who are unbeaten in the Championship so far this season but have drawn four of their five league fixtures to date.

United are 29/20 to win in the East Midlands with Forest 19/10 and the draw at 5/2. One thing you can guarantee the Magpies will have more of the ball than they did at St James's Park against Chelsea on Sunday!

Virat Kohli has top-scored for India in four of the six innings so far in the current series with England and the 4th Test which starts in Southampton tomorrow promises to be a cracker with the hosts currently leading 2-1. Kohli has never named the same XI in his 38 previous Tests as captain but there is every chance that trend will be bucked at the Ageas Bowl.

England are 20/21 to take a winning 3-1 lead with India 7/4 and the draw at 4/1. The pitch promises to be one of the best if not the best this summer with average runs-per-wicket this season 34.10 the highest among Test venues. There is no rain forecast and England must decide if Jonny Bairstow is fit enough to play as a batsman only with the gloves going to Jos Buttler.

I would open with James Vince instead of Keaton Jennings and might also find room for Moeen Ali. I just wonder if we could see one of those rare things — a drawn Test match which would suit England.

DEFENDER REJECTS CRISIS TALK

We're Shaw to do better soon

ZERO TO HERO LUKE BACKS ROPEY REDS

LUKE Shaw is backing under-fire boss Jose Mourinho to turn things around at Man United.

The left-back has been a frequent punchbag for the Portuguese who has dropped him several times.

But the boss was quick to praise Shaw after the 3-0 defeat against Tottenham at Old Trafford.

It leaves the Reds with just one win from their opening three games and with big problems in their leaky defence.

With captain Paul Pogba supposedly at loggerheads with Mourinho, there has been strong talk of rifts inside

By **JOHN ANTHONY**

the United dressing room. But Shaw is adamant that all is well behind the scenes.

He said: "You always see a lot of things in the media that go on about what our dressing room is like."

"But, look, we have a really good spirit, a really good group of lads and a group that want to work, want to achieve big things here."

"We have a really good group and yeah of course we'll reflect on the defeat."

"We've got a really good group, a good group of hard workers and amazing talents everywhere you look on the field. We've just got to start

taking our chances and I am sure we will start winning more games."

Shaw believes the 3-0 scoreline against Spurs didn't reflect what happened on the pitch.

He may not go as far as Mourinho who claimed his team should have been three up at half-time.

But he said: "The first corner they had comes the goal."

"Even then, we should have been relaxed, I think, 'Look, it's only one goal, we've still got a lot of time' and then comes maybe another mistake."

But Tottenham had the game in the bag with their second goal just two minutes later. Shaw — who is in line

for an England recall — said: "Another silly, stupid goal. We were so on top and it's just disappointing, really disappointing."

"Everyone in the dressing room is really sad, especially after the first half we had and especially a big thank you to the fans for the way they supported us, even when we were down 3-0, was amazing."

"At the final whistle as well, the way they were clapping the team was I think really respectful and really nice for us as players to receive after a disappointing result."

"And obviously to the fans that came out tonight, we're sorry, we'll be better next week."

ON A MISSION:
Jack Wilshere

BIG CHANCE: Clive Cox

Shout Come On Come On for Clive

WINNING POST WITH BEN MORGAN

TOP weight should not stop COME ON COME ON (NAP) from going in today after hitting the crossbar the past few times.

Clive Cox's charge has threatened to be better than shown so far and his unexposed profile will lure plenty of punters in. This race is a big drop in class hence 10 stone, but there isn't a great deal below him and his only real rival may be Atticus Boy.

Although nothing splits them on official ratings Atticus Boy gets 8lb off the selection which could be enough to push him into favouritism and allow Come On Come On to drift out to a more seductive 3/1, I hope. I'm sure class will prevail and Cox and the Rooneys can enjoy more success.

Today's Lucky 15 doesn't boast a great deal of value but four short priced winners are better than four longshot losers.

Richard Hannon sends the classy MAAWARD back into action at Kempton this evening and after romping home by six lengths last time it will take a brave bookie to take him on.

He looked group class on his return and should have come on for the run after 10 months off. His main rival, Dayking, has also had his problems and it could be a case of who is fitter but there were good vibes about Hannon's gelding before his last run and I can't get his Kempton run out of my mind so he gets the vote.

At Catterick I am pretty confident QUE AMORO will prove too good in the opener. Michael Dods and his team have always rated this speedy filly and she could well be the next star filly off the Dods production line. All four runs have shown plenty of promise and she was most impressive when making all at Beverley. The form of these races seem strong and something will have to go seriously wrong if she is not to taste victory today.

Michael Bell returns to the scene of INDIA's only victory to date in hope of more success. David Allan regains the ride and given she won so easily last time at Catterick and the fact she has a nice racing weight I would be hopeful she can double up.

VARDY RETIRES FROM ENGLAND

JAMIE Vardy has called time on his international career with England.

The Leicester striker — aged just 31 — has told boss Gareth Southgate that he would be prepared to pull on a Three Lions shirt in an emergency but wants to concentrate on his club football.

Vardy has been in every England squad for the past three years and has won 26 caps, scoring seven goals. He was part of the World Cup squad in Russia but is playing second fiddle to Harry Kane at the highest level.

For that reason, he has decided that he wants to spend more time with his family and stay active in club football for as long as possible. Southgate tried to persuade Vardy to stay in the set-up and they have agreed to "leave the door open".

The Leicester hitman said: "To be honest with you, this has been on my mind for a while.

"I'm not getting any younger and you can see, to be fair to the gaffer, he wants to make it more youthful, which obviously had its benefits during the World Cup — we got to the semi-finals and finished fourth, which is equal to the furthest we have ever been on foreign soil.

"So I just said to Gareth that I think it's probably best from now on, especially with the way he

BY ANDY MILLOM

wants to go, to bring youngsters in who he thinks have got the ability and start nurturing them into international football."

Vardy admits that his decision would probably be different if he was a regular starter for England.

He added: "When you get selected, you want to be playing. If you're playing week in, week out for your club, you want to be going to England to play as well.

"And if it's not happening, then for me personally now, at this age, it's better to be at home, spending that time with my family and training with my club, preparing for the next game after the international break."

Finished

Vardy told Southgate his decision just after the World Cup finals had finished.

It sounds as though the gaffer expected him to change his mind but the former Fleetwood hitman is sticking to his guns.

Vardy added: "I explained it all to Gareth and he was fine with my decision. I mentioned it to him after the World Cup had finished, out in Russia, and then I spoke to him on the phone a couple of weeks ago.

"He let it die down a bit, so that I could have a bit more time to think, and then rang me up just to make sure I wasn't just taking the mickey in Russia.

"But I hadn't changed my mind. Gareth said that he felt I still had a lot to offer, and we've not shut the door completely."

Vardy could yet pull on an England shirt again — but only as a last-resort should Southgate come calling.

He added: "If the worst came to happen and everyone was injured, then obviously I wouldn't say no to Gareth."

REFS MUST PROTECT ZAHA

WILFRIED Zaha is being targeted by the Premier League's hatchet men and needs more protection from referees.

That's the verdict of his Crystal Palace team-mate Martin Kelly who has been shocked at some of the treatment dished out to the Ivory Coast forward.

Zaha is one of the quickest players in the division and stands out in the Eagles side.

Kelly said: "Teams are seeing Wilf as our star

By MARK NAYLOR

player now and are obviously trying to nullify him at the start of games by doubling up or leaving late challenges on him.

"The refs have got to look after Wilf the way all top players are looked after for all top teams. We have got to keep him fit. He is our main threat."

Zaha's partner in attack Christian Benteke has come in for plenty of stick too —

for failing to hit the target despite being provided with a host of chances.

The £30m man has scored just three times in his past 35 appearances and he was subbed by boss Roy Hodgson in the weekend defeat against Watford.

Fellow Eagle Andros Townsend is backing the big man, pointing out that his job is to do more than stick the ball in the net.

The winger said: "People focus on his goal record but he has offered a lot and

played very well again against Watford.

"He worked hard, he won a lot of headers, running the channel and causing all sorts of problems.

"We'll just have to work hard and keep producing performances like we have so far this season.

"Hopefully, the rub of the green will come and we will start winning.

"The positive is we've played well but we haven't managed to win the points we deserve."
